Presentation Specialist at Your Service

We are implementing several ways to help all presenters with creating and delivering a powerful presentation at the Innovations in Testing conference. ATP is making a Presentation Specialist available who will conduct training and offer presentation tips.

Since Fishbowl Sessions are relatively new to the Innovations in Testing conference, and many presenters are new to presenting/moderating in this format, we encourage you to partake in the required training to include, a conference call and review process with the ATP designated presentation coach, and a rehearsal on Sunday afternoon prior to the conference. Please plan to arrive in Scottsdale by 1PM on Sunday, March 5th. Also, take advantage of the speaker lounge where you can prepare for your presentation and ask questions from our Presentation Specialist.

If you have any questions about these materials, due dates, or for additional information, please contact:

ABOUT FISHBOWL SESSIONS

What is a Fishbowl Session?

Innovations 2017 is once again including Fishbowl Sessions as a way of drawing more audience members into the discussion to actively participate! The room set-up is a key element here. Several chairs for “presenters” are placed in the middle of a circle – the fishbowl. The moderator(s), sits in one of those chairs, introduces the topic and invites audience members to take a free chair in the fishbowl if they would like to participate in the discussion. The facilitator offers these instructions:

- People inside the fishbowl can speak at will.
- If you are outside the fishbowl and want to speak, you take a vacant seat.
- As new participants join the fishbowl, previous participants leave at the most convenient or appropriate time possible.

Once the discussion has concluded, the moderator closes the session and summarizes the discussion.

How long are the Fishbowl Sessions?

A Fishbowl Session is a 60 minute interactive session on “hot topics” that are of interest to the attendees of ATP’s annual Innovations in Testing Conference.

What is the format of this session?

Speakers in center, with several extra chairs for conference attendees to share and be a part of the discussion. This set-up requires a minimum of 2 and maximum of 4 presenters/moderators including attendees who assume moderator roles by entering the center of the circle. Attendee chairs will be positioned in concentric circles around the presenters. No tables are placed in front of attendees.
